I know you will want to join me in congratulating our children on these results and for their positive attitude and enthusiasm throughout the year. On behalf of everyone at the school, I would like to say a big thank you to you for the support you provide the school and our children. Without this, it would not have been possible for our children to achieve such outstanding results.

At Conway, we have made specific choices and deployed particular strategies that are clearly having phenomenal impact on standards. It is particularly rewarding that in a period of ever-increasing budget constraints we continue to achieve this.

Finally, I would like to take this opportunity to thank the staff for their hard work and commitment to ensuring the best outcomes for all our children.

Steve Piper, the Chair of Governors, commented that *"these are absolutely outstanding results for the school and for our children. They reflect the ongoing progress Conway has experienced over recent years under the inspirational leadership of Mrs Carlsson-Ruban and the hard work of the staff and children"*. He added that *"these excellent results are a true reflection on both the quality of teaching and learning taking place at the school and on the genuine potential of our children. Results such as these demonstrate the opportunities and life chances that Conway opens up for all our children"*.

Yours sincerely
