Dear Team London Young Ambassadors,

I want to thank you personally for your commitment to youth social action and the Team London Young Ambassadors programme. In a recent report from WE Charity, Conway Primary School was highlighted in a case study. I was very interested to read about the work you are doing to address food poverty in Greenwich. I thought that running a food drive and holding a silent march was an excellent way of raising awareness while making a practical difference to local families.

As young Londoners, you have the power to make a difference through your daily actions. You have taken this opportunity and done so much with it. I would like to thank you for the support and dedication you have shown to the programme. I wish you all the best in your continuing efforts to change London for the better.

I look forward to hearing more about Conway's involvement in Team London Young Ambassadors in the future.

Regards,

**Matthew Ryder**
